Dear Friend,

The mission of the Northport Symphony Orchestra (NSO) is to contribute to our community's quality of life through free public performances of classical music, while providing a fulfilling artistic experience for adult professional, amateur, and advanced student musicians on Long Island.

We are writing to ask your help to allow us to continue that mission. Since our founding in 2007, we have brought classical music to appreciative audiences in our community through our regular concert series, demonstrations at local libraries, and special appearances at community events and nursing homes — all brought to you free of charge.

Your donation will allow us to continue to serve our community through these free performances, enabling a wider audience to hear our repertoire — individuals who may not otherwise have an opportunity to hear great classical music.

Please complete the form below and send it together with your tax-deductible donation to help us continue to keep the music playing for years to come.

Many people over the years have generously contributed to NSO, and we are profoundly grateful for your ongoing support. It is people like you who make our efforts so truly rewarding.

Musically yours,

Your friends at the Northport Symphony Orchestra
